LIMITED EDITION 12' VINYL RECORD: TWO SUITES

Two Suites is a special edition, limited release vinyl record produced for the Clarence Jazz Festival. On one side a suite in three parts, 'The Fountains of Witley Court', written and recorded by the late Ian Pearce (AM) - a stalwart of Australian jazz for half a century. The other, also a suite in three parts, the 'Clarence Jazz Suite' written and recorded by Kelly Ottaway the festival's Artist in Residence for 2016.

Tom Samek has been commissioned to create a special artwork for the sleeve (pictured). The artwork and other musically themed works by Tom will be on display as part of a special anniversary exhibition in the Schoolhouse Gallery during the Festival.

The record is available for purchase at www.clarenceartsandevents.net or directly at all the concerts during the Clarence Jazz Festival.

ARTIST IN RESIDENCE PROGRAM

Through its Cultural Arts program Clarence Council commissions artists to create works that complement the Jazz Festival. Over the years the Festival has commissioned sculptures, paintings, an instrument exhibition, video installations, jazz compositions, a radio program and even a knitted piano.

2017 ARTIST IN RESIDENCE: TOM SAMEK

Born in Prague in 1950, Tom landed in Tasmania in 1971 and has since etched his visual presence into its shared identity.

With major works gracing landmarks at the Federation Concert Hall, MyState Building, Frogmore Creek Winery and RACT HQ, he is perhaps even more well-known for the laconic wit of his small works in oil and print.

THE AMBASSADORS

Each year the Clarence Jazz Festival invites an Ambassador aboard to MC the concerts, guest with the bands and provide master class opportunities for our developing young players.

For its 21st Birthday, the festival has invited all three of its regular impresarios to share the roll, bringing with them their favourite performing outfits and culminating in the ultimate performance at the Bellerive Boardwalk, the Ambassador's Grand Finale. See one or all three of them each night.

GEORGE WASHINGMACHINE the man with the (white) goods returns with violin, vocal chords and an abundance of energy. Also known for his appearances in television and film and for his visual art, this true Renaissance man is also appearing with his jazz vocal group Blues Point.

DAN BARNETT big band leader, composer and dashing in a black vest brings his trombone to the fore as Clarence Ambassador. A maestro of the slide and subtly seductive vocalist to boot, Dan swings from shuffle to gallop and also sings with Blues Point.

PAUL WILLIAMSON has blown more reeds than the sea breeze on his tenor saxophone. With a string of recording and performing credits and the beating heart of jazz pumping through his valves, Paul brings his infamous Hammond Combo to the Jazz Lounge at Rosny Barn.

THE SCHOLARS

Clarence Jazz Festival is dedicated to developing the next generation of young Tasmanian players. As part of its commitment it invites three young artists to participate in a scholarship program which provides six months of private lessons from acclaimed jazz practitioners.

This culminates in a performance for opening night at the Bellerive Boardwalk (Day 7) with former recipients and our Ambassadors. This year's recipients are:
