

The Clarence Foreshore Trail

Impact, interpretation of the Tasman Bridge disaster by Travis Tiddy and Kelly Eijdenberg.

THE CLARENCE FORESHORE TRAIL

The Clarence Foreshore Trail is a multi-user pathway following the shores of the Derwent River. It offers a diverse range of scenery from picturesque bays to she-oak forest and parkland. There are playgrounds, beaches and points of interest along the trail. The path varies from wide concrete to narrower gravel sections. From Simmons Park in Lindisfarne to Howrah is approximately 11 km.
