Jazz Lounge

A beautiful intimate program of premium ticketed concerts hosted between the sandstone walls of a 200 year old barn runs over three days as part of our Big Weekend. See the program for more details.

Food and Wine

We've teamed up with Captain Bligh Brewery, Pagan Cider and Bream Creek Vineyard to offer the most refreshing and delicious of locally made drinks. The Bellerive Boardwalk and the Rosny Farm are licensed venues, so alas... No BYO. There's a variety of fine savoury and sweet foods from local vendors.

Clarence Jazz Festival partner with local community organisations at Twilight concerts to provide a bar and bbq.

Introducing our Clarence Jazz Festival Scholars

The Festival is dedicated to developing the next generation of young Tasmanian talent. As part of this commitment, three young artists are selected to participate in a scholarship program providing six months free private tuition with Tasmania's top tutors. They'll perform with our Ambassador Adrian Cunningham at Rosny Farm on Friday 22 February. This year's recipients are **Jamie Willson** on Vibes (supported by Hobart Jazz Club), **Anwen Roberts** on Violin and **Tristan Meffre** on Tenor Sax.
